 NAZI WAR CRIMES DISCLOSURE ACT  
 DATE 2007

1. For a period of approximately three weeks in August 1970, AECASSOWARY/29 (IDEN 1) and AECASSOWARY/57 (IDEN 2) will visit Expo '70 to make contacts for AERODYNAMIC (IDEN 3), as explained below. As cover for these contacts, the two men will represent their employer, AETENURE (IDEN 4), a legally constituted organization with overt offices, which is the research and publishing activity of AERODYNAMIC.

2. AECASSOWARY/29 and 57 will contact MHARSH visitors to Expo '70 for the purpose of eliciting information which will be used in MHSPAWN operations. Some operational and possibly positive intelligence information is also expected to result from these contacts. They will distribute, on a selective basis, literature such as IDEN 5, as well as books and pamphlets published by AERODYNAMIC's European-based office, IDEN 6. All distribution will be discreetly conducted under the supervision of AECASSOWARY/29, an experienced, JKLANCE-trained asset who has conducted this type of operation at other international gatherings and expositions such as Expo '67 in Montreal. AECASSOWARY/57, a younger man who has conducted contact operations in the United States and South America, is not yet witting of JKLANCE involvement in AERODYNAMIC. Both men are U.S. citizens who speak colloquial English. AECASSOWARY/57 is a reserve Army captain with Vietnam combat intelligence experience.

3. We will require only a one-time   contact with AECASSOWARY/29, to pass him MHARSH materials which we will be pouching to the   in the next few weeks, by transmittal manifest referencing this dispatch. Other than this,   will only need to be aware of the presence of the two men, whose itinerary will be cabled as soon as it is firm. No other   support is anticipated.

4. Contact instructions for AECASSOWARY/29 will be appreciated at your earliest convenience.
